

Prof. Arindam Ghosh

Bio:

Prof. Arindam Ghosh is a Professor of Physics at the Indian Institute of Science in Bangalore, India, with over 15 years of experience on physics and engineering of layered materials and devices. His group has pioneered many discoveries in optical, thermal, and electrical properties of atomically thin solids. He has published over 150 research papers and holds 7 national/international patents. He has been the recipient of several recognitions and fellowships including the 2012 Shanti Swarup Bhatnagar Prize, the highest recognition for scientists in India, and the Infosys prize in 2020.
