

Prof. Mandar M. Deshmukh

Bio:

Prof. Mandar Deshmukh has been a faculty member at the Tata Institute of Fundamental Research in Mumbai since 2006 in the Department of Condensed Matter Physics and Materials Science. His group's interests span nano-mechanics, the topological properties of flat bands, and superconducting electronics. Before coming to TIFR, he was a postdoctoral researcher at Harvard University. Prior to that, he got his Ph.D. in Physics from Cornell University.
